Date: Friday 14th March 2025

Dear all,

This week, as many of you know, has been STEM week, which has given us the opportunity to reflect on the importance of Science, Technology, Engineering and Mathematics.

To tie in with this year's theme, 'Change and Adapt', we explored different types of animals that have adapted to their environment and also how technology has adapted to meet the needs of its consumers.

We are really looking forward to our trip to the Life Centre next week to explore more in this field.

A big thank you to our Friends of North and South Cowton and Friends of Melsonby who have made a significant contribution towards this trip which has enabled it to go ahead.

Have a lovely weekend!

Reminders

- Maths homework will be sent home on a Thursday and homework will be due in on a Tuesday.
- Class 1 P.E days are Tuesday and Friday.
- Class 2 P.E days are Monday and Friday.
- Please ensure that all home reading is recorded in the children's reading records.

We would like to take the opportunity to welcome Miss Cobett, from York St John University, who will be working with us over the next couple of months whilst completing her teacher training programme.
